

DUAL ADMISSION AGREEMENT BETWEEN VIRGINIA COMMONWEALTH UNIVERSITY AND REYNOLDS COMMUNITY COLLEGE

Reynolds Community College (REYNOLDS) and Virginia Commonwealth University (VCU) recognize the importance of providing a seamless and student-centered dual admission experience. REYNOLDS and VCU enter into this dual admission agreement to provide eligible students an opportunity for simultaneous admission to both institutions. Through dual admission, REYNOLDS students will receive coordinated support services from REYNOLDS and VCU personnel to assist students in completing their associate degree at REYNOLDS and continuing their academic journey toward a bachelor's degree at VCU. Students who do not meet the eligibility requirements described herein are encouraged to apply to VCU under the regular admission procedures of the University.

This dual admission agreement complements the Guaranteed Admission Agreement (GAA) between Virginia Commonwealth University and the Virginia Community College System (see: <https://www.vccs.edu/transfer-programs/#statewide-transfer-agreements>). According to the GAA, students who complete a transfer-oriented associate degree with a minimum cumulative grade point average of 2.5 are guaranteed admission to the university. Acceptance into some degree programs at VCU is competitive; thus, guaranteed admission into VCU does not imply admission into these competitive programs without further acceptance by the school or department offering the program.

Section 1: Definitions

Dual Admission Agreement

As stated in the "Public higher education policy guidelines for the development of transfer agreements" (State Council of Higher Education for Virginia), a dual admissions agreement is "An agreement between two- and four-year institutions granting qualified students with simultaneous admission at both institutions of higher education and specifying applicable co-curricular requirements and privileges."

Section 2: Description

The REYNOLDS-VCU dual admission program is established to provide eligible students from Reynolds Community College with the following benefits and services.

- 1) Dual admission status at both REYNOLDS and VCU will result in guaranteed admission to the university and applicable VCU degree programs (see list of applicable VCU bachelor's degree programs in Appendix A: Transfer Pathways for Dual Admission) upon completion of an associate degree at REYNOLDS with a minimum GPA of 2.5 or higher. NOTE: Appendix A will be edited each year as the list of applicable pathways expands and/or curricular changes are made.
- 2) Cost savings through 2+2 transfer pathways (whereby students complete at least 50% of their bachelor's degree requirements at Reynolds Community College).

- 3) VCU transfer advising support through transfer major maps and appointments with VCU transfer advisors who will evaluate students' unofficial transcripts and assist students with selecting REYNOLDS courses needed for their intended VCU bachelor's degree.
- 4) VCU email address.
- 5) Waiver of the transfer application fee.
- 6) A VCU student ID card upon acceptance into the dual admission program, granting access to VCU library services, campus facilities, cultural events, and eligibility to participate in VCU Recreation and Well-Being programs.
- 7) Invitations to virtual and in-person information sessions about the VCU application process, financial aid, VCU academic requirements, and career planning resources.
- 8) Streamlined enrollment and early registration process at VCU that includes an advising appointment with a VCU departmental academic advisor prior to enrollment at VCU who will assist students with understanding their bachelor's degree plan and registering for their first semester of courses at VCU.

Section 3: Eligibility

The REYNOLDS-VCU dual admission program is available to REYNOLDS students who:
